REMARK HOME PRODUCTS

Quality, Versatility, and Durability

Remark railing systems are designed with the homeowner in mind; combining simplicity, versatility, and strength. They offer unique design and color options all of which are affordable.

Every Remark railing comes with a Limited Lifetime warranty and a company who stands behind it. Remark railing systems are designed and manufactured by GreenWay Fence & Railing Supply in New Holland PA. Quality, service and integrity are at the core of everything our family owned business does.

REMARK PVC Railing Features

- Made of quality 100% PVC with color stabilizers
- Splinter Proof - will not splinter, flake, or peel
- Moisture Resistant - will not split, rot, warp, or swell
- Easy to Clean - cleans with mild soap and water
- Low Maintenance - never needs painting or sealing
 - Fade Resistant - resists UV rays
 - Heavy Aluminum Stiffeners in Top & Bottom rails
 - Heavy Duty Mounting Hardware with concealed fasteners
 - Rail kits include all fasteners, brackets, & Balusters
 - Order custom length sections or individual components for less waste & ease of installation
 - Exceeds both IRC and IBC Codes for residential and commercial applications
 - Limited Lifetime Warranty
